

**Tomorrow's Hope Foundation's Adopt-A-School Program** was established to provide local businesses, corporations, and donors, with an opportunity to form a direct relationship with a Catholic school in their community. The Adopt-A-School Program speaks to the very heart of the Foundation's mission, and the conviction that today's children are Tomorrow's Hope.

The Adopt-A-School Program makes it easy for members of the community to support Catholic school teachers and students. 100% of donations are directed to the students and schools via scholarship support or equipment/technology enhancements. Your involvement makes a real difference in the lives of Tomorrow's Leaders!

*“It is so important that we give back to our Long Island community, especially to enhance and improve the lives of our children. For many of them, Tomorrow's Hope and the Catholic school system represent the best path they have to succeed through adulthood. I believe in the mission of Tomorrow's Hope and respect the work that they are doing.”*

~ **Patrick Cassino**  
President of Sun Buick GMC, Inc.  
Adopt-A-School Donor

*Our mission is to ensure the excellence as well as the continuance of Catholic schools on Long Island by increasing awareness and by providing scholarship and program funding for the needs of students and schools.*

- \* Listing of Donor/Companies name on THF website as an Adopt-a-School sponsor

## INSPIRE

**Today's children are Tomorrow's Hope!**

*“We really do feel passionate about the difference that a Catholic education can provide to young people who aspire to have a dream of becoming a leader in a place, where not only do they get a great education, but live values of faith and grow up to be great people. Our parents invested in us as we came through Catholic schools, and we've invested in our children as well. We are proud of our three children and think it's time for us to give back to really create an opportunity for young people and their families who maybe don't have the financial wherewithal to be able to provide support for them through this vehicle.”*

~ Eileen & Joseph Tarantino  
Adopt-A-School Donors
