"Catholic education was instilled in both of us by our parents, it was never a question; it was the only choice. It shaped our values, our faith, and the way we live our lives.

We wanted the same foundation for our girls, and we feel so fortunate to have been able to provide it for them.

We give to **Tomorrow's Hope Foundation** so that other families can have the same opportunity, the gift of a Catholic education and all that it offers."

Tomorrow's Hope Foundation was founded in 2005 by Lewis S. Ranieri. Mr. Ranieri wanted to make Catholic education a possibility for all children.

The mission of Tomorrow's Hope Foundation is to ensure the excellence as well as the continuance of Catholic schools on Long Island by increasing awareness and by providing scholarship and program funding for the needs of students and schools.

STUDENT TUITION ASSISTANCE RELATIONSHIP PROGRAM

★ BE A STAR TO A STUDENT ★

The Student Tuition Assistance Relationship (STAR) Program matches students in need of tuition assistance with a generous donor – a STAR who contributes tuition assistance of \$3,500 a year.

Tuition differs among our 35 Catholic elementary schools. This program is designed to help close the gap between tuition costs and what families are able to contribute, with any additional funds supporting THF's Tuition Assistance Fund. The average tuition for a first child is currently over \$8,200, and families contribute the remaining portion. THF STAR students demonstrate the greatest financial need within our applicant pool.
