A Message from Our Chairman

On behalf of the Board of Trustees, I would like to thank all of our dedicated constituents for their most generous support of Tomorrow's Hope Foundation in 2015. This has been a celebratory year for the Foundation as we commemorate our 10th Anniversary; I invite you to share in our reflection of the past ten years and to be part of our hopes for the decade to come.

It is with your continued generosity and support that we are able to fulfill our vital mission and provide the opportunity for Long Island families in need to choose Catholic elementary education for their children. This year, with your help, Tomorrow's Hope Foundation has proudly served over 1,700 students providing \$1.6m in tuition assistance and school aid. I am happy to report that in the ten years that the Foundation has been established we have raised nearly \$20m and helped over 17,000 students. I know my late wife Peg, one of the founding members of the Foundation, and a true believer in the merits of Catholic elementary education, would be elated with the continued commitment of our donors to the mission she believed in so passionately. We are truly blessed to serve the Long Island community, and look forward to continuing our good work.

As we look toward this next decade, we hope to strengthen our endowment, develop a stronger relationship with the corporate and foundation communities, and enhance our public awareness, all in the hopes of nurturing "our" children with strong spiritual values in preparation for life's journey. After all, *Today's Children are Tomorrow's Hope*.

A handwritten signature in dark ink, appearing to read "Lewis S. Ranieri".

Lewis S. Ranieri
Chairman of the Board
Tomorrow's Hope Foundation

History and Mission

of Tomorrow's Hope Foundation

The mission of Tomorrow's Hope Foundation is to ensure the excellence as well as the continuance of Catholic elementary schools on Long Island by increasing awareness and by providing scholarship and program funding for the needs of students and schools.

In January 2004, Bishop William F. Murphy and former Superintendent of Schools and current Secretary of Education Sister Joanne Callahan, became increasingly concerned about the costs and sustainability of Catholic elementary schools on Long Island. They enlisted a committee to study the challenges facing the schools. In answering the call to action to reverse the declining numbers of students in the Catholic elementary schools across Long Island, Tomorrow's Hope Foundation was established in September 2005 as a tax-exempt, non-for-profit public charity. Lewis S. Ranieri was appointed by Bishop Murphy to chair the foundation. As chairman, Mr. Ranieri put together a prominent board of professionals, business leaders and diocesan administration. A decade later, there are 47 thriving elementary schools in our diocese educating more than 17,000 students. Parents seeking tuition assistance for their children now have a place to rely on for support. Over the past ten years the Foundation has provided close to \$20 million in scholarship and school aid. On behalf of Tomorrow's Hope, we look forward to continuing our service in the Long Island community.

Tomorrow's Hope Foundation:

Celebrating a Decade of Service to the Long Island Community

The value of learning. The learning of values.

Over the past ten years Tomorrow's Hope has served the Long Island community by providing parents with the opportunity to choose the education that best fits the needs of their children, without the worry of financial constraint. With generous support from our donors, and the dedication of the members of our Board, the Foundation has proudly served over 17,000 students who attend our network of 47 excellent Catholic elementary schools. Each year, Tomorrow's Hope is proud to support families in need who make the choice to send their children to our faith-based, academically rigorous schools—over the past ten years the Foundation has provided support for these families in awards totaling nearly \$20 million towards scholarships and school aid. We remain committed to the conviction of our mission, that Today's Children are Tomorrow's Hope, and look forward to the next decade of service.

"When we started the Foundation in 2005 it was hard to envision the impact that it would have on the schools and their families. As we celebrate the 10th Anniversary of Tomorrow's Hope Foundation, I want to thank all those who have served. Your commitment to Catholic education and to the parents and students in need of tuition assistance has been an inspiration to me. You have made a difference in lives of over 17,000 children."

Long Island Catholic Schools

The Families We Serve— Tomorrow's Hope Parents

"A Catholic education, especially at Our Lady of the Hamptons, gave me a stability and foundation that I believe is unparalleled and I always wanted that for my children."

"As we look forward to this school year we will know that we wouldn't be here without your kind, giving spirit. Looking forward to a bright and faith filled year!"

"We are looking forward to a wonderful school year and have you to thank for continuing Catholic education."

"... your gift allowed our child to stay in her beloved school for her final 8th grade year."

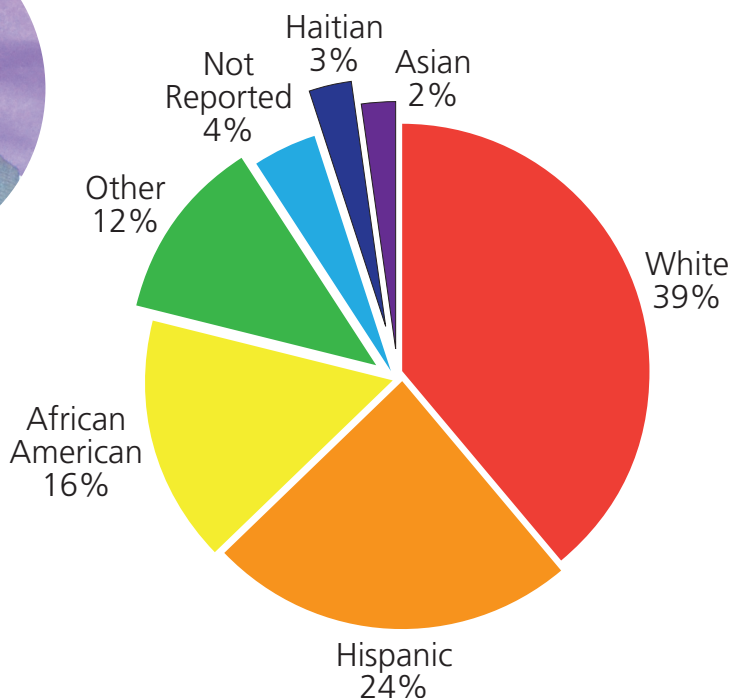

Celebrating Diversity in Our Schools

Tomorrow's Hope Foundation has the privilege of awarding a population of students that is as diverse as the Long Island community we serve. The students and schools funded by Tomorrow's Hope are dedicated to celebrating diversity in an enriching multi-cultural learning environment. Tuition assistance through Tomorrow's Hope is available to all families who show a financial need, regardless of ethnicity or religious affiliation.

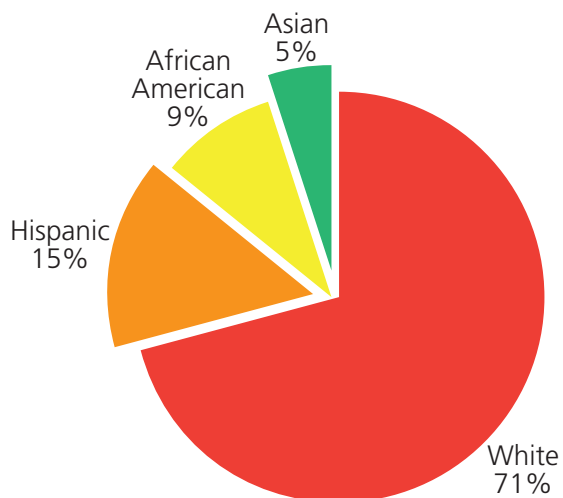

THF Applicants by Ethnicity

Long Island Population Ethnicity

According to the 2010 U.S. Census

To the Good Sponsors of Tomorrow's Hope,

Since becoming parents of three children, our number one priority was to afford them with a quality education with a Christian foundation.

Our children have attended St. Martin de Porres Marianist School for over 10 years. The drive to provide such an education has not gone without struggle.

Initially we did not require any financial assistance for their education, but when we fell on hard times; their attendance at St. Martin was in jeopardy. The school Headmaster recommended that we apply for the Tomorrow's Hope Foundation Scholarship, which we did. We are blessed to say that we were awarded funding that allowed our children to maintain their enrollment and good grades. Through the assistance of the Foundation, we are proud say that our children have received an outstanding education and continue to grow spiritually.

Our youngest child, Nia is scheduled to graduate from St. Martin de Porres, June of 2016. We would like to thank all the sponsors that continue to pay the blessings forward.

Nia Jones

The Jones Family**

Be a STAR to a Student, Be a Guiding Light!

The Student Tuition Assistance Relationship (STAR) Program identifies students in high need of tuition assistance and matches them with a generous donor—a “STAR” who contributes tuition assistance of \$2,000 a year. The current average tuition for Catholic elementary school is roughly \$4,500. Although tuition varies across the Diocese, this program is intended to fund roughly half of the student’s tuition while the parent/guardian is asked to contribute the remainder.

The donor-student relationship is a special one—it consists of correspondence facilitated by Tomorrow’s Hope throughout the school year. This relationship is unique in that the donor can see how their generous contribution directly aids in allowing their STAR student to thrive in Catholic elementary school.

For more information on becoming a STAR to a student, visit us at www.tomorrowshopefoundation.org

“Tomorrow’s Hope’s STAR program is a charity and donation opportunity unlike any other in my experience. My wife Irena and I have been very proud participants in this program for the past few years. It is extremely rewarding knowing that our donation is going DIRECTLY to a Catholic elementary school student. When we receive Christmas cards and letters from our STAR student telling us how active they are and how rewarding their Catholic school experience has been, I am unable to think of a more worthy forum to provide a donation.”

—Michael McCarthy

Member of Tomorrow’s Hope Foundation, Board of Trustees

“Through our STAR program, donors are able to forge a powerful, personal relationship with the students that they sponsor and see firsthand the value of their gift. During the course of the school year STAR donors receive regular updates, including progress reports, letters, drawings and holiday cards from their sponsored students. Having participated in the program since joining the Board of Tomorrow’s Hope Foundation in 2010, I have found it rewarding to provide opportunity to the families of young students who might otherwise not be afforded access to our excellent Catholic schools. I often remind myself of how lucky I was to have a family that afforded me the benefit of a Catholic education; this program gives you the opportunity to make a real difference in the life of a young person and help insure their success in life. I wholeheartedly endorse the STAR program.”

—Frank Liantonio

Vice Chair, Tomorrow’s Hope Foundation

2015 STARS for Students Scholarship Gala

Our 10th Anniversary *STARS for Students Scholarship Gala* celebrated the achievements of our three outstanding honorees, and members of the Board of Trustees at Tomorrow's Hope Foundation. This year's honorees included: **Frank P. Marzano**, Managing Principal, GM Advisory Group; **Sister Joanne Callahan**, OSU, former Superintendent of Schools, Diocese of Rockville Centre; **Edward Travaglianti**, President, Long Island, TD Bank. We are continually amazed by the dedication of our honorees advancing the mission of the Foundation, and extremely thankful for the continued tireless support and effort they put forth in ensuring the success of the Foundation.

Our 10th Anniversary *STARS for Student's Scholarship Gala* was highly successful, raising over \$1.1 million. Thank you to all our donors for their generous support and continued commitment!

Meadow Brook Golf Outing

Tomorrow's Hope Foundation's 10th Annual Swinging for Scholarships Golf Tournament took place on Monday, October 5th, 2015. Guests were invited to participate in a full day of golf at the beautiful Meadow Brook Club in Jericho, followed by a Cocktail Reception, Raffle Drawing, and Awards Ceremony, highlighting the Student Tuition Assistance Relationship (STAR) Program. This year, the Foundation was pleased to host over 100 golfers and 120 reception guests helping to raise over \$225,000. A special thanks to all who participated in making the day a success.
